

Domaine Sainte Rose La Garrigue GSM

Description:

La Garrigue GSM is a vibrant and expressive red blend from Domaine Sainte Rose, located in the Languedoc region of southern France. Made from Grenache, Syrah, and Mourvèdre, this wine is named after the region's aromatic scrubland, "garrigue," which lends its herbal character to the wine. Hand-harvested and vinified with minimal intervention, this blend is designed to showcase ripe southern fruit, a touch of wildness, and a structure that reflects the warmth and ruggedness of the Mediterranean landscape.

Tasting notes:

Bold aromas of blackberries, dried herbs, and cracked pepper. On the palate, ripe plum and black cherry meet hints of liquorice, thyme, and smoky spice, with supple tannins and a savoury finish.

Allergens: Contains sulphites.

Dish Pairing: Grilled lamb, cassoulet, rosemary chicken, aubergine parmigiana, hard cheeses, lentil stew

Talking Point:

The "garrigue" landscape, rich with wild thyme, lavender, and rosemary, not only inspired the name but also influences the wine's character through the surrounding terroir and climate, giving this GSM blend its distinctive Mediterranean flair.
