

## Grechetto Umbria De Filippo

**Description:**

Grechetto Umbria De Filippo is a white wine from Umbria, Italy, made from the Grechetto grape variety. Known for producing wines with good structure and aromatic intensity, Grechetto offers a fresh and subtly complex profile, reflecting the distinct character of the region.

**Tasting notes:**

Aromas of pear, almond, and white flowers. The palate is crisp with flavours of green apple, citrus, and a faint mineral edge. The finish is clean and balanced.

**Allergens:** Contains sulphites.

**Dish Pairing:**

- Seafood pasta
- Grilled white fish
- Fresh goat's cheese
- Light vegetable dishes
- Chicken piccata

**Talking Point:**

De Filippo's Grechetto is valued for its clarity and precision, with the grape's natural almond note providing a distinctive edge. The producer's focus on quality fruit selection results in a wine that highlights Umbria's potential beyond more commonly known varieties.
