

## La Crema Monterey Pinot Noir

### **Description:**

La Crema Monterey Pinot Noir is a bright and approachable red from California's cool-climate Monterey AVA. Known for its consistently balanced and fruit-driven style, this wine highlights the region's foggy mornings and warm afternoons, which help develop ripe, expressive Pinot Noir grapes. The wine is aged briefly in oak to add subtle spice without overpowering the fruit.

### **Tasting notes:**

Aromas of cherry, raspberry, and subtle baking spices. The palate is light to medium-bodied with flavours of red berries, plum, and a touch of vanilla, supported by soft tannins and a smooth finish.

**Allergens:** Contains sulphites.

### **Dish Pairing:**

- Grilled salmon
- Roast chicken with herbs
- Mushroom risotto
- Charcuterie and mild cheeses
- Pork tenderloin

### **Talking Point:**

La Crema was founded with the goal of crafting elegant, cool-climate Pinot Noir, and Monterey's diverse soils and temperate climate deliver consistently expressive wines at accessible prices. This Pinot Noir shows how the region can produce varietally true, balanced wines with both freshness and approachability.
