

Jim Barry The Cover Drive Cabernet Sauvignon

**Description:**

Jim Barry The Cover Drive is a tribute to the Barry family's love of cricket, produced from Cabernet Sauvignon grown in the Coonawarra and Clare Valley regions of South Australia. The wine's name and label reference a former cricket pitch on which part of the vineyard now sits, blending heritage and winemaking in a uniquely Australian way. This Cabernet reflects the structure and intensity of Coonawarra fruit, balanced with the elegance typical of Clare Valley.
