

Tomasella Chardonnay

Description:

Tomasella Chardonnay is an elegant white wine from Friuli, in north-eastern Italy. Produced by Tenuta Tomasella, an estate located on the border between Friuli and Veneto, the wine combines freshness from the Alpine influence with ripeness from the warmer Venetian plains.

Tasting notes:

Aromas of ripe apple, pear, and hints of tropical fruit. The palate is smooth and well-rounded, showing stone fruit, citrus, and a touch of vanilla, finishing with balanced acidity and freshness.

Allergens: Contains sulphites.

Dish Pairing:

- Grilled sea bass with lemon
- Risotto with asparagus or porcini mushrooms
- Roast turkey breast
- Creamy pasta dishes
- Soft-ripened cheeses

Talking Point:

Tenuta Tomasella is a family-run winery that sits uniquely across two wine-growing regions: Friuli and Veneto. This border location allows them to draw on contrasting influences — Friuli's cooler Alpine breezes for freshness and Veneto's warmer climate for ripe fruit expression — a duality that shapes the character of their Chardonnay.
