

Saperavi Grande Valley

Description:

Saperavi Grande Valley is a dry red wine from Ukraine, made from 100% Saperavi grapes cultivated near the Black Sea coast. Some bottlings are matured for at least six months in French oak barrels, while special “Barrique” editions are aged for up to 24 months, giving the wine depth and complexity. Deep ruby-garnet in colour, it expresses both intensity and elegance.

Tasting Notes:

Pomegranate, Black Cherry, Dark Chocolate, Jammy Red and Black Fruits, Hints of Dried Fruit, Velvety Finish

Allergens: Contains sulphites.

Dish Pairing:

- Grilled lamb or pork steaks
- Bone-in lamb chops
- Hearty pasta with rich sauces
- Mature hard cheeses

Talking Point:

Originally from Georgia, the Saperavi grape has adapted well to Ukraine’s Black Sea vineyards. Grande Valley’s bottling demonstrates how this deeply coloured variety can produce bold, structured reds with a smooth, modern profile while retaining the distinct character of the region. Oak ageing adds nuance and complexity, bridging richness with freshness.
