

Avicella Loureiro Vinho Verde

Description:

Avicella Loureiro Vinho Verde is a fresh, aromatic white wine from northern Portugal, made from the Loureiro grape, one of the region's most expressive varieties. Pale straw in colour, it shows lifted aromas of citrus blossom, lime and green apple, with a subtle saline note on the palate. Light-bodied and vibrant, it delivers crisp acidity and a clean, refreshing finish that highlights Loureiro's naturally floral character.

Tasting notes:

Lime, Green Apple, Citrus Blossom, Pear, Saline Mineral Note

Allergens:

Contains sulphites.

Dish Pairing:

- Grilled sardines
- Shellfish and prawns
- Light salads with citrus dressing
- Soft cheeses

Talking Point:

Loureiro is traditionally grown along the Lima River in Vinho Verde, where cooling Atlantic influences help preserve its intense aromatics. Unlike many Vinho Verde wines that rely on blends, Avicella focuses on Loureiro alone, showcasing why the grape is increasingly seen as the region's most distinctive aromatic variety, prized for its floral lift rather than overt spritz or sweetness.
