

Chateau Mangot Climats NV (23/24 blend)

Description:

Château Mangot Climats NV is a fresh and expressive white Bordeaux created from a blend of the 2023 and 2024 vintages. Pale lemon in colour, it displays vibrant aromas of citrus, white peach and ripe pear, complemented by delicate floral notes and a subtle mineral edge. The palate is crisp and beautifully textured, with lively acidity balancing the ripe fruit, leading to a long, refreshing finish.

Tasting notes:

Lemon, White Peach, Pear, Grapefruit, White Blossom, Mineral Notes

Allergens:

Contains sulphites.

Dish Pairing:

- Grilled sea bass
- Fresh oysters
- Roast chicken with herbs
- Goat's cheese salad

Talking Point:

The name "**Climats**" is inspired by the Burgundian concept of individual vineyard sites, celebrating the influence of place on a wine's character. Rather than following a traditional vintage release, Château Mangot has chosen to blend the 2023 and 2024 harvests, combining the generosity of one vintage with the freshness of the other to create a balanced, consistent style that reflects the estate's modern and innovative approach to Bordeaux winemaking.
