Jaffelin Vin de France Pinot Noir

Description:

A bright, juicy Pinot Noir from Maison Jaffelin, made as a Vin de France rather than under a Burgundy appellation. The grapes are sourced from different parts of France, with a proportion from the warmer Languedoc bringing ripe, generous fruit, balanced by Pinot Noir from cooler areas for freshness. It's unoaked, keeping the style light and fruit-led, with cherry and raspberry at the forefront and a soft, easy-going palate. A very good everyday Pinot Noir when you want something fresh rather than serious.

Tasting notes:
Cherry, raspberry, blackberry, redcurrant, rose petal, gentle spice, soft tannins

Allergens:
Contains sulphites.

Dish Pairing:

- Roast chicken
- Pork with herbs
- Mushroom risotto
- Charcuterie and soft cheeses

Talking Point:

This is Pinot Noir with a deliberate twist on the usual Burgundy formula. The wine is classified as Vin de France, allowing Jaffelin to blend fruit from different French regions. It is fermented and aged in stainless steel with no oak, keeping the focus firmly on the fruit.
